

## **Reverence and Tradition**

You, the parishioners, told us how God spoke to and united St. Joseph's- your love for Catholic tradition and reverent liturgical worship. Here's your story.

St. Joseph's is a parish that is proudly rooted in the traditions and devotional life of the Catholic Church. For years, parishioners have called their home a church which celebrates a beautiful, reverent liturgy. Parishioners have also been nourished spiritually by a history of their church's vast offering of: liturgical worship- like our First Friday Latin Masses, devotionals- like the weekly family rosary, and Eucharistic devotion- like our Adoration Chapel and weekly Holy Hour. Pastors have come and gone, but the reverence towards Christ in the Eucharist and His Holy Mass have been a common theme throughout the years that has attracted parishioners in all stages of life.
